MAP711S Group Assignment Assignment

In this task, students are expected to develop a mobile application for the Namibia Hockey Union (https://namibiahockey.org) in groups of four(4) or five (5) students. The minimum functional requirements of the application are, but not limited to, the following:

- team registration;

- event entries;

- player registration & management;

- real-time information sharing.

Table 1: Assessment Rubric

Criteria / Component	Poor (15)	Below Average (40)	Average (55)	Good (75)	Excellent (100)
Functional Requirements	(9)	(24)	(33)	(45)	(60)
